

PACIFIC RIM ENGINEERED PRODUCTS

Service Technician

About the Organization

Since 1987, **Pacific Rim Engineered Products (1987) Ltd., (PREP)** has been designing, manufacturing, servicing and repairing industrial equipment. We have since grown to become a leading provider of engineered solutions, product innovation and technical knowledge to the world's oil, gas, mining and marine industries.

About the Opportunity

PREP has an exciting opportunity for a **Service Technician** to join our team in **Surrey, BC**. In this role, you will report to the Service Manager, and you will be responsible for all aspects of customer service in the field as well as creating follow-up documentation of results.

In this hands-on role, you will be required to spend 30%-40% of your time traveling/working in the field.

Responsibilities include:

- Troubleshooting, testing, and repairing of PREP products in the field
- Coordinating with the PREP supply chain and engineering department in regards to replacement parts
- Preparing detailed field reports and notes
- Assisting in preparing technical memos
- Supporting customers directly with technical assistance and direction

In order to qualify for this role, you will be a **Certified Millwright, Heavy Duty Mechanic, or an ASTTBC Technologist**. You will also have relevant work experience with gearbox and power transmission products, mobile and stationary hydraulics, and on/off highway trucks.

Please note that a **valid passport is required** and you must be able to travel as required. Similarly, a **clean driver's abstract** and a **valid driver's license** are also required.

About the Benefits

In exchange for your hard work and dedication, you will receive a **competitive hourly salary of \$35-\$36.50 per hour plus 10% premiums** for fieldwork. You can also look forward to receiving the following benefits:

- Extended health benefits including medical, dental, vision coverage
- LTD insurance
- RRSP matching after one year of employment
- Potential for annual bonuses
- Opportunities for professional development and additional training

If you are looking to take the next step in your career, this could be the opportunity for you! **Apply today!** For full details and to apply, please visit <http://jobs.applyfirst.ca/jobs/93569>
