

SQUAMISH

HARDWIRED *for* ADVENTURE

Engineering Technician

This regular full time position performs inspection duties for design and construction of Capital and Development Projects, as well as provides technical support for infrastructure and engineering projects.

The successful candidate will possess thorough knowledge of local government bylaws and regulations relating to subdivision, building site servicing, and new construction as well as excellent interpersonal and communication skills. Requirements include a minimum of three years of relevant experience as an Engineering Technician, a Diploma in Civil Engineering Technology, a valid BC Class 5 driver's license, and eligibility for membership in the Applied Science Technologists and Technicians of British Columbia.

If you are a motivated Engineering Technician who is passionate about all that Squamish has to offer, then we want to hear from you!

The District of Squamish is a growing community. With a small-town setting, spectacular natural environment, and world-class outdoor recreational opportunities, Squamish offers an incredible live-work-play lifestyle that few places can offer.
