

Where ideas work

**BC Public Service
Ministry of Transportation and Infrastructure
Multiple Locations in British Columbia**

Technician Entry Level Program (TELP)

Are you a recent post-secondary graduate ready for the first exciting step in your career?

The Ministry of Transportation and Infrastructure is currently hiring 10 full-time positions across British Columbia as part of our Technician Entry Level Program (TELP).

TELP is designed to provide career opportunities to recent graduates and provide them with work experience and training, while continually increasing their responsibilities. You will be assigned to work with experienced mentors who promote and accelerate development. Plan to be exposed to a variety of technical problems, solutions and techniques that provide a solid career foundation for the future in a Ministry that has a strong emphasis on training and career growth.

TELP Job Opportunities:

- Field Services Aides (Grading)
- Assistant Developmental Technician
- District Operations Technician
- Project Management Technician
- Assistant Bridge Inspection Technician
- Utility Project Analyst

Potential locations for these positions are:

- Williams Lake
- Fort St John
- Cranbrook
- Kamloops
- Coquitlam
- Prince George
- Nanaimo
- Victoria

For more information about the TELP program please visit the [TELP Career Page](#).

If you are interested in gaining valuable experience with TELP, please learn more and find out how to apply by January 28, 2018 here:
