

With a moderate climate, spectacular scenery and year-round recreational offerings at our doorstep, the **City of Campbell River** is the ideal location to live, work, and play.

ENGINEERING TECHNOLOGIST I (Development Services)

The City of Campbell River is seeking a full-time **Engineering Technologist I**.

As part of the Community Planning and Development Services team and reporting to the Development Engineering Supervisor, you will perform a wide variety of technical tasks in all aspects of municipal engineering including, but not limited to: department inquiries and correspondence; infrastructure research; database and record drawing maintenance; drafting reports; design drawing reviews; field inspections; field work including data collection; and other miscellaneous assignments.

To complement your two (2) Diploma in Civil Engineering Technology or relevant field, you **MUST** also have:

- One (1) year related experience in simple design, layout, construction, and as-built recording of civil municipal projects within the past five (5) years.
- Introductory training in mapping and/or GIS applications.
- A valid driver's license and a clear drivers abstract as per City policy.

The hourly rate of pay for this CUPE bargaining unit position is \$32.18 working 40 hours per week between 8:00am and 4:30pm, Monday through Friday.

For a detailed job description that lists all the necessary qualifications for this position, please visit the "[Employment Opportunities](#)" section of our website at www.campbellriver.ca.

Please include verification of your education and certifications with your application.

This posting closes at 4:30 pm on Monday, February 12th.

Please send your resume with covering letter, quoting **Competition EXT-17-74** to:

Human Resources Department
City of Campbell River
301 St. Ann's Road
Campbell River, BC V9W 4C7
Email: careers@campbellriver.ca

We thank all applicants, however, only those selected for interviews will be contacted.
