

Engineering Technologist Public Works

Find out why our AMAZING employees love The City of Port Coquitlam!

Affectionately known as "PoCo", we are an award winning organization made up of a diverse and dedicated team of people that care deeply about the community in which they serve.

The City of Port Coquitlam is currently seeking a full time Engineering Technologist to join our Public Works team. As an energetic, results orientated Engineering Technologist you will be involved in a variety of areas including project coordination, program design and implementation, asset data management, record keeping and reporting for municipal servicing infrastructure.

If you are someone who can establish and maintain effective working relationships with a variety of internal and external contacts in our community and if many of the following characteristics and skills describe you then we want to meet you!

- You are a highly organized analytical thinker with strong project management skills;
- You have the ability to motivate and inspire others;
- You are a driven, self-starter who prefers to be lightly supervised;
- Your diploma in Civil Engineering Technology is supplemented by courses in safety, environment or another related field;
- You have three years of experience in municipal public works including streets, drainage, sanitary sewer works, water works and solid waste collection;
- You are registered or eligible for registration with the Applied Science Technologists and Technicians (ASTT) of BC as an Applied Science Technologist (AScT)
- You have a valid Class 5 Driver's License for BC

Why should you consider working for us?

- Our organization is the ideal size for you to make a difference and have an impact;
- We have a strong learning culture and want our people to grow and succeed;
- We are a diverse, inclusive and supportive workplace;
- We support your professional development and health with our Education Reimbursement and Wellness Programs;

The terms and conditions of employment are in accordance with the CUPE Collective Agreement. The salary for this full-time position ranges from \$79,000 to \$91,000 annually (2018 rates) and includes a comprehensive benefit package upon successful completion of a four-month probationary period.

If you are looking for an opportunity to be involved in all aspects of a public works environment then this job is for you! If I have sparked your interest, please apply online by February 9, 2018 at www.portcoquitlam.ca/jobs quoting competition number #18-003i.
