Imagine a career with the City of Richmond, a dynamic environment for growth and continuous improvement, fostered by our collective strengths and creativity. We are a vibrant, diverse cosmopolitan city, supported by a strong economy and recognized as leaders in innovation and service delivery excellence. The City of Richmond is committed to be the most appealing, livable, well-managed community in Canada, a goal that is only made possible by developing our most valuable asset – **our people**. This is a great opportunity to join our team and shape our community.

Project Manager
Job ID: 2017447
\$89,449 to \$111,812 annually

The Project Manager serves as a part of the professional technical team responsible for helping the Engineering team deliver the annual Civil Utility Infrastructure Capital Program and/or Capital Buildings Project Development (CBPD) Program. The successful applicant(s) will be assigned to either the Engineering Design and Construction Department (utility program) or Capital Buildings Project Development Department (building program).

We are seeking an outstanding individual Demonstrated experience with, ability in, and knowledge of contract management, project management and negotiations for capital projects of varying type, size and complexity. Duties span the full project lifecycle, from preparing needs analyses and developing scope and schedules, to assisting with procurement, to detailed tracking of progress and forecasting final costs, to project close-out.

University Degree in Architecture or Engineering or AsCT (Applied Science Technologist) Diploma in Engineering Technology, with registration in the relevant professional association in British Columbia, plus at least five (5) years related experience including a combination of engineering and project management experience in design, construction, consultant administration, and contract administration. An equivalent combination of education and experience on utility or large building infrastructure projects would also be considered. Experience in municipal or consulting engineering would be desirable.

The City of Richmond offers competitive pay programs, comprehensive benefits, attractive incentives and a compressed work day schedule. If you are looking to make a difference, and to share our vision “to be the most appealing, livable, and well-managed community in Canada,” please submit your application by following the instructions below:
