

With a moderate climate, spectacular scenery and year-round recreational offerings at our doorstep, the **City of Campbell River** is the ideal location to live, work, and play.

PROJECT COORDINATOR (Engineering Technologist III)

The City of Campbell River is seeking a full-time **Project Coordinator**

As part of the Capital Works team and reporting to the Capital Works Supervisor, you will be involved in all facets of municipal construction project delivery, including development of project delivery plans, procurement of necessary project resources, direction of design development, administration of construction service delivery, execution of project controls and reporting, and comprehensive records management.

To complement your two (2) year diploma from an engineering program, you **MUST** also:

- Be eligible for registration as an ASCT with the Applied Science and Technologists and Technicians of BC, or for registration with the Association of Professional Engineering and Geoscientists of BC (APEGBC).
- Have a minimum of five (5) years progressive experience in the design and construction of municipal works and services within the past ten (10) years.
- Experience working with municipal consultants and general contractors.

The current hourly rate of pay for this CUPE bargaining unit position is \$38.96 working 40 hours per week.

For a detailed job description that lists all the necessary qualifications for this position, please visit the "[Employment Opportunities](#)" section of our website at www.campbellriver.ca.

Please include verification of your education and certifications with your application.

This posting closes at 4:30 pm on Friday, March 2, 2018.

Please send your resume with covering letter, quoting **Competition EXT-18-08** to:

Human Resources Department
City of Campbell River
301 St. Ann's Road
Campbell River, BC V9W 4C7
Email: careers@campbellriver.ca

We thank all applicants, however, only those selected for interviews will be contacted.
