

## Traffic Signals Technician Full-time/Permanent

**Keep the City moving in the right direction!**

Contribute to our vision to be the best mid-sized City in North America by joining the Public Works Department as our **Traffic Signals Technician**.

The City is seeking an individual that will install, repair, service and maintain the traffic signal system for municipal operations. As a strong communicator, problem-solver, and team player, you will provide assistance in a variety of traffic systems and control initiatives to keep the City moving.

The ideal candidate will hold a Trade Ticket – Electrician Class B, eligible to be designated Field Safety Representative (FSR) under BC Safety Authority, experience working on traffic signal equipment and systems (ex. Econolite), and a BC Class 5 Driver's License (or equivalent). Preference may be given to those that hold a Diploma in Electrical or Electronic Technology and/or certified with IMSA as a Traffic Signal Technician Level II. *Please note that the successful candidate must be able to travel to City Yards within 20-minutes due to emergency on-call requirements.*

This is a IBEW bargaining unit position and offers a wage of \$42.41 per hour based on a 37.5-hour work week. We offer a comprehensive benefits plan, career/professional development and progressive employment practices.
