

## Now Hiring within **Gas Distribution Engineering**

The City of Medicine Hat Gas Distribution department provides reliable and safe delivery of natural gas to its 26,000 customers. We currently are searching for an Engineering Technologist to fulfill a support role for capital projects in our Gas Distribution Utility. This role is responsible for the design, coordination, installation, inspection, and testing of the various projects. As the onsite project inspector, you will also be responsible for working with contractors to insure compliance with all safety and quality standards. Other key duties include performing SynerGEE simulations to determine future plant reinforcement and maintaining the Gas Distribution ArcGIS network.

To succeed in this role, you will bring thorough knowledge of the practices, regulatory codes, materials, equipment and procedures in natural gas distribution engineering, along with strong organization skills to plan, schedule, implement, and manage multiple projects simultaneously. Your prior experience preparing tender documents, evaluating proposals, using AutoCAD and ability to seek creative and cooperative solutions sets you apart.

### Required Qualifications:

- ✓ Successful completion of a two (2) year diploma in Mechanical or Civil Technology from a recognized post-secondary institution.
- ✓ Registered member of Alberta Society Engineering Technologists (ASET) within six months of taking on the position, and while in this position maintain registration as a Certified Engineering Technologist (C.E.T.)
- ✓ Five (5) years of relevant gas distribution work experience.
- ✓ Must possess and maintain a valid Class 5 Alberta Vehicle Operator's License and City Operator's License.
- ✓ An equivalent combination of management approved training, education and experience may be considered.

Our organization offers a highly attractive total compensation package, including competitive salary, excellent benefits, learning & development opportunities as well as a great work environment which provides excellent opportunities for professional growth.

The City of Medicine Hat strives to achieve its vision to be a "Community of Choice"; a place where people choose to live, work and play. The Medicine Hat advantage:

- ✓ Extensive Recreational Facilities
- ✓ Low Utility Rates and Taxes
- ✓ Flourishing Cultural Community
- ✓ Family Oriented Community
