We are a vibrant, diverse cosmopolitan city, supported by a strong economy and recognized as leaders in innovation and service delivery excellence. The City of Richmond is committed to be the most appealing, livable, well-managed community in Canada, a goal that is only made possible by developing our most valuable asset – **our people**. This is a great opportunity to join our team and shape our community.

Engineering Technologist

Job ID: 2018020

\$40.50 to \$47.82 per hour

This is a technical engineering position at the sub-professional level involved in performing specialized design tasks and in carrying out technical investigations and supervising design programs relative to a variety of engineering projects. The work includes the administration and project management of budgeted projects from preparation of the required design through to completion of the construction phase, and may involve the supervision of work that is performed.

We are seeking an outstanding individual with sound knowledge of municipal engineering design principles and methods, drafting techniques and procedures as they relate to Engineering practices relative to the preparation of plans, specifications, contract documents, tenders, quotations, and related matters.

Qualified candidates will have completed Grade 12 plus graduation from an Institute of Technology diploma course in a relevant engineering program, supplemented by considerable experience in municipal civil engineering design or an equivalent combination of training and experience. Including being registered or eligible for registration with the Applied Science Technologists and Technicians (ASTT) of British Columbia as an Applied Science Technologist (AScT).

The City of Richmond offers competitive pay programs, comprehensive benefits, attractive incentives and a compressed work day schedule. If you are looking to make a difference, and to share our vision “to be the most appealing, livable, and well-managed community in Canada,” please submit your application by following the instructions below:

The City of Richmond uses an applicant tracking system for candidates wishing to view and apply for available career opportunities. For further details regarding this specific career opportunity, please visit our website at www.richmond.ca/employment. Applicants will be required to upload a current resume and provide any supporting documentation relevant to the position (Word format). We are accepting applications until **May 11, 2018 at 11:59pm**.

*The City of Richmond is an inclusive employer committed to employment equity objectives and invites applications from all qualified individuals. We thank all applicants in advance for their interest; however, only those under consideration will be contacted. If you are unsuccessful, please accept our appreciation for your interest. **No telephone inquiries please.***

This position is restricted to those legally entitled to work in Canada.
