

Career Opportunity

Position Title	Civil Engineering Technologist
Status	Full-time, permanent
Location	Campbell River, BC

Overview

McElhanney Consulting Services Ltd. seeks a **Civil Engineering Technologist** for our office in Campbell River, BC. The incumbent will join our office of over 20 engineering and survey staff and use their strong technical skills on a variety of design and construction projects for both the municipal and land development sector.

Responsibilities

- Assist in the production of engineering designs and drawings that meet all client and approval agency requirements and standards
- Transform preliminary concepts and sketches into engineering designs, plans and project informational requirements, using primarily Civil 3D, as well as other technical software as needed
- Coordinate the preparation of documents required for approvals, prepare development and construction cost estimates and tender documents and contracts, and coordinate with other team members to ensure schedules, budgets and quality control standards are achieved
- Identify field and design issues and facilitate corrective measures
- Conduct site inspections and material testing
- Liaise with contractor, client and affected stakeholders during construction operations
- May supervise and/or provide training and mentorship to junior technical staff.
- Engineering design including hydraulic and hydrologic analysis.

Requirements

- Diploma in Civil Engineering or Drafting Technology with a minimum of 3 years of experience in the design of municipal or land development projects.
- Registration as a ASCT, or other technical accreditation, is an asset
- Advanced proficiency in Civil 3D Software is must
- Attention to detail and excellent communication skills (verbal & written); ability to produce accurate field notes
- Ability to work independently and also within a busy and high-performing team

If this is the opportunity for you, visit www.mcelhanney.com/careers to apply online. We thank all applicants for their interest; however, only shortlisted candidates will be contacted.

McElhanney is proud to be an **Employment Equity** employer.
