

Survey Technician – Full-time/Permanent Infrastructure Delivery

Survey Your World!

The City of Kelowna is seeking an experienced Survey Technician to join our Infrastructure Delivery Department in the delivery of a safe, vibrant, and sustainable City.

With a Survey Technology Diploma, a Class 5 Driver's License, and a minimum of 2-years surveying and software experience, you will be responsible for conducting preliminary, construction and topographical surveys. The successful candidate will be able to operate conventional and GPS survey instruments, produce informative calculations, interpret maps, plans and field notes, create technical data reports, and provide advice and direction to other staff. For this position, we are searching for someone with an eye for detail, a solver of problems, and a team player!

Help Kelowna to become the best mid-sized City in North America! We offer career/professional development, progressive employment practices, and a great work environment. This is a CUPE bargaining unit position and offers a salary range starting at \$31.17 per hour with a 5-step progression to \$35.95 per hour (based on a 35-hour work week) and includes a competitive benefits and pension package.

Apply online at kelowna.ca/careers by June 5, 2018.

Applicants not contacted within three weeks of the competition closing date are thanked for their interest.
