

Career Opportunity

Position Title	Electrical Technologist
Status	Full-time, permanent
Location	Prince George, BC

Overview

McElhanney Consulting Services Ltd. seeks an **Electrical Technologist** for our branch in Prince George, BC. The successful candidate will have the opportunity to use their strong technical skills on a variety of design and construction projects across the Northern BC region.

Responsibilities

- Assist in the production of electrical designs and drawings that meet all client and approval agency requirements and standards
- Transform preliminary concepts and sketches into electrical designs, plans and project informational requirements, using primarily AutoCAD, as well as other technical software as needed
- Coordinate the preparation of documents required for approvals, prepare development and construction cost estimates and tender documents and contracts, and coordinate with other team members to ensure schedules, budgets and quality control standards are achieved
- Identify field and design issues and facilitate corrective measures
- Liaise with contractor, client and affected stakeholders during construction operations
- May supervise and/or provide training and mentorship to junior technical staff.

Requirements

- Diploma in Electrical Technology or Drafting related Technology with a minimum of 5 years of experience in municipal/infrastructure design and construction inspections
- Registration as an ASCT, or other technical accreditation, is an asset
- Candidates will have, or will immediately obtain and maintain, membership with the regulatory association in the province in which the work is being done)
- Advanced proficiency in AutoCAD Software is essential
- Attention to detail and excellent communication skills (verbal & written); ability to produce accurate field notes
- Ability to work independently and also within a busy and high-performing team
- Experience training/supervising junior technical staff is an asset

Benefits of working for McElhanney

- Locally based office with strong community ties and very positive working environment
- We are proud to be an employee-owned, multidisciplinary company of technical professionals managed by technical professionals
- Full benefits package, competitive salary, annual bonus eligibility and the potential to become an owner of the company
- An assortment of company-sponsored professional development activities.

If this is the opportunity for you, visit www.mcelhanney.com/careers to apply online. We thank all applicants for their interest; however, only shortlisted candidates will be contacted.
