

DISTRICT OF SAANICH
ENGINEERING DEPARTMENT
TRANSPORTATION AND DEVELOPMENT SERVICES DIVISION

ENGINEERING TECHNICIAN IV - DESIGN Regular Full Time Position

The District of Saanich is seeking an experienced engineering professional to join our Engineering Department. The Transportation and Development Services Division designs roadways, pedestrian and bicycle facilities. Working in the Design Services Section, the successful candidate will provide engineering duties for a variety of capital works projects primarily for transportation infrastructure and occasionally for sewer, water or drainage projects. Duties include preparing concept plans, public consultation, detailed design drawings, tender documents as well as managing projects as defined within the framework and guidance developed by the Project Management Office. Familiarity with road and bikeway design standards, project management, and road construction procedures would be an asset.

Requirements include a two year diploma in Civil Engineering from a recognized institution; a minimum of 5 years of directly related experience; eligibility for membership in ASTTBC; a valid BC Class 5 Driver's License and a personal vehicle available for use as and when required, and conversant with computer based engineering applications including AutoCAD. Candidates with an equivalent combination of education and experience may be considered.

This is a C.U.P.E. Local 2011 position with a wage of \$40.54 per hour and an excellent benefits package. Job description and competition information can be found at www.saanich.ca. Please apply by 11:45 p.m. on MONDAY, AUGUST 20, 2018 quoting competition 164.18 to: Human Resources, District of Saanich, 770 Vernon Avenue, Victoria, BC, V8X 2W7 (Fax 250-475-5550) or Email careers@saanich.ca. In addition to the interview process, testing will be conducted. We thank all applicants for applying. Only those under consideration will be contacted.
