

BURNCO

Quality Control Technician Kelowna Ready Mix Division Competition #18-160

Excellence. Integrity. Passion.

Since 1912, BURNCO has been supplying aggregate construction materials as a successful, family-run business based in Calgary. Over the last 106 years we have embraced innovative technology and new marketplaces while always maintaining the vision and values that were first introduced by our founder, James F. Burns. Today we continue our unwavering commitment to safety, our renewed focus on family leadership and our steady, dependable growth into the future. We look forward to having you join us on that journey.

BURNCO is currently recruiting for a **Quality Control Technician**. This is a full-time position in Kelowna, reporting directly to the Area Manager – Ready Mix, and functionally to the Quality Assurance Engineer – Kelowna Ready Mix.

Responsibilities will include, but are not limited to the following:

- On-site testing of concrete.
- Communicating with clients, third party testing companies, and operations personnel.
- Troubleshooting and making recommendations to maintain high quality ready mix product.
- Observation and documentation of placement, logistical, and curing conditions that will impact product performance.
- Observation and documentation of third party testing procedures.
- Preparation and testing of cylinders for compressive strength.
- Sampling and testing of ready mix raw materials.
- Preparation and execution of batch trials.
- Other duties as assigned by the Quality Assurance Engineer or Supervisor.

Preferred Qualifications:

- Previous concrete testing experience.
- Candidates who have or are working toward a C.E.T. designation.
- Knowledge of CSA 23.2-14 field testing procedures.
- CCIL/ACI certification for concrete testing is considered an asset.
- Ability to work in a team atmosphere and follow instructions.
- Be highly motivated and able to work with minimal supervision.
- Must have excellent communication and organizational skills.

Please submit your resume or application by quoting competition **#18-160** to:
