

Engineering Technologist

Permanent Full Time

Posting No. 86-18

July 31, 2018

The Resort Municipality of Whistler is a one-of-a-kind community and is often recognized as the number one mountain and ski resort destination in North America. It has a thriving four-season events calendar, and arts and culture sector. Whistler was the Host Mountain Resort for the 2010 Olympic and Paralympic Winter Games.

Financially sound and responsive to an engaged mayor and council, this is a high performance municipal organization serving a community of almost 12,000 people and three million annual visitors. As an economic generator of over \$1.53 billion annually, Whistler is key to British Columbia's tourism economy.

The Development Services department of the Infrastructure Services division has an opportunity for qualified individuals to apply for the position of Engineering Technologist. Reporting to the Manager of Development Services, this position offers 72 hours bi-weekly starting as soon as possible.

The Engineering Technologist is responsible for plan checking; conveying procedures and specifications to contractors and development applicants; inspecting and supervising the installation of public works; and traffic monitoring.

Qualified applicants will have completed post-secondary education in Civil Engineering Technology and be certified as an Applied Science Technician or Technologist supplemented by at least 1-3 years of experience in a similar role. Qualified candidates will have good working knowledge of municipal water, sewer and drainage works and be proficient with a variety of Microsoft software applications and AutoCAD to create technical plans for municipal projects and GIS applications for analysis proposes.

The successful candidate is analytical and research oriented and demonstrates strong problem solving and communication skills with a professional and diplomatic demeanor. Additionally, has the proven abilities to organize multiple projects simultaneously, work well under pressure to effectively meet deadlines and to establish and maintain effective working relationships with a variety of internal and external contacts.

As a requirement of the position, the successful applicant must hold a valid class 5 BC Driver's License provide a satisfactory drivers abstract.

Interested candidates are invited to submit a resume and cover letter by email to hr@whistler.ca or complete our online application form available at www.whistler.ca/careers
