

**ENGINEERING TECHNOLOGIST II
WATER MANAGEMENT DIVISION
(REGULAR FULL TIME)**

Position: The Water Management Division of the Cowichan Valley Regional District is seeking a regular full time Engineering Technologist II. Reporting to the Manager, Water Management, the Engineering Technologist II is responsible for performing a wide variety of technical tasks of a municipal engineering nature, including coordinating maintenance, implementation of upgrades, monitoring and processing applications for sanitary sewer, water, drainage and streetlighting systems.

Qualifications: Graduation from a recognized technical institute with a diploma in civil engineering and eligible for membership in the ASTT as a technologist/technician, or a combination of education and appropriate training and experience. A minimum two (2) years of related experience in the civil engineering field (in positions of increasing responsibility). Applicants must have a valid Class 5 Driver's License. Knowledge in the following areas is required: civil engineering principles and practises, including drinking water and wastewater regulations; water supply and distribution, wastewater collection, treatment and disposal systems, and drainage systems; and computer based engineering applications, including AutoCAD, GIS and Microsoft Office Suite programs; records and documentation requirements for engineering works; and of the subdivision approval process. The successful candidate have the ability to: communicate effectively verbally and through written materials including staff reports, advertisements, education manuals and workshop guides, public notices, brochures and pamphlets; understand and apply laws, regulations, agreements and procedures; establish and maintain courteous, tactful, diplomatic working relationships with other employees, the general public; effectively operate in a Microsoft Office Suite environment; and be able to assist in organizing the work of Utilities Operations' staff and to provide direction and monitoring activities to contractors, consultants.

Hours of Work: The hours of work are 35 hours per week Monday to Friday, 8:30 a.m. to 4:30 p.m. This position may be required to attend some evening and weekend meetings. A comprehensive benefits plan and flex-time are offered with this position.

Salary: This regular full time union position (CUPE Local 358) has a salary range in three steps: \$36.55 – \$37.69 - \$38.77 per hour (2018 rates).

Applications: Qualified applicants are invited to submit a letter of application and resume, in confidence, clearly quoting **Competition WM18071-I/E** by noon on September 14, 2018 in either MSWord or pdf format to the Human Resources Division at hr@cvr.bc.ca, or to 175 Ingram Street, DUNCAN BC V9L 1N8, or by fax to 746-2522.

Note: Testing may be required during the interview process. Testing is based on the knowledge, skills, abilities and qualifications outlined in the job description.
