

The City of Nanaimo is a rapidly growing community with a population of approximately 90,000. Nestled between the mountains and the ocean, on the east coast of Vancouver Island, we are centrally located, about 1½ hours from Victoria and 2 hours from Vancouver by ferry. With a university and well-developed parks, recreational, cultural and social amenities, Nanaimo is truly an extraordinary place to live.

Senior Project Manager (Competition 18-107)

Due to a retirement, the City of Nanaimo is seeking a permanent full-time Senior Project Manager. Reporting to the Manager of Engineering Projects, the Senior Project Manager is responsible for the management of large-scale capital projects for various departments with the City. The position will provide leadership and technical expertise on the implementation of capital projects including project management and contract administration.

Applicants must have a technical diploma from a recognized College or Technical Institute, in a specialty such as engineering or construction. A minimum of 6 years' related experience in Project Management with progressively complex projects including 3 years' in a management supervisory role is required. An equivalent combination of education and experience may also be considered.

In addition, applicants must be a member or be eligible for membership with the Applied Science Technologists, and Technicians of BC as an Applied Science Technologist or with Engineers and Geoscientists BC as a P. Eng. A Project Management Professional (PMP) certificate is preferred. Applicants must also possess a valid Class 5 BC Driver's license and a satisfactory Criminal Record Check.

This is an Excluded position and a competitive salary and comprehensive benefit package is included.
