

District of North Saanich

ENGINEERING TECHNOLOGIST

(\$34.92 - \$37.10 per hour)

Applications are invited for the full-time position of Engineering Technologist in the Infrastructure Services Department for the District of North Saanich. Working in the Infrastructure Services Department, the Engineering Technologist is a position of technical engineering work of a sub-professional nature involving the performance of moderately complex field and office assignments within a municipal engineering setting.

Applicants must have high school graduation supplemented by courses in civil and structural engineering technology from an institute of recognized standing, or university graduation in the field of civil engineer and two years progressively responsible experience in a related field of work.

This position is a Union position and is subject to the terms and conditions in the collective agreement between District of North Saanich and the Canadian Union of Public Employees Local 374. More information on this opportunity, including a complete job description, is available for review in the Employment section of the North Saanich website <https://www.northsaanich.ca/employment> or email careers@northsaanich.ca.

Applications may be submitted by e-mail, fax or mail before **4:00 p.m. on Friday, December 28, 2018** to:

Curt Kingsley, Director of Corporate Services
District of North Saanich
1620 Mills Road
