

SUBDIVISION DEVELOPMENT TECHNOLOGIST

Full Time

Job Id: 19-008
Department: Engineering
Salary: \$35.61 - \$42.00 per hour
Closing: January 20, 2019

Come grow with us! Maple Ridge located in Metro Vancouver is a vibrant and rapidly growing City with outstanding recreation, arts and cultural amenities and some of the most affordable housing in the region. This combined with a dynamic community makes Maple Ridge a great place to work, play and live. Come join us and be part of the change.

Are you a team player with a “can do attitude”, excellent communication, interpersonal skills and exceptional customer service skills? We have the perfect opportunity for you.

We are currently hiring for a full time Subdivision Development Technologist to join our team of professionals in the Engineering Department.

Your key responsibilities are:

Reporting to the Manager of Infrastructure Development you will be responsible in this specialized and technical role for:

Reviewing specific aspects of Subdivision and Development process concerning subdivision and rezoning applications and development and building permits. You will provide assistance and advice to property owners and developers seeking approval of applications and ensures that the specific requirements of the City and applicable by-law provisions are complied with. In addition you will review servicing designs for new roads and utility systems and the impact of developments on existing infrastructure.

A little bit about you:

- Graduation from an Institute of Technology in Civic Engineering Technology is required along with experience in a Municipal Engineering office OR an equivalent combination of training and experience.
- You must have eligibility for certification as an Applied Science Technologist with the Province of B.C.
- A valid class 5 Drivers' License

The successful candidate will be required to complete a Police Information Check as a condition of employment. (Note – not required a part of the application process; however, will be required upon consideration for employment)

All required licenses, certificates and registrations associated with this competition must also be valid and current at the time the postings close and must be attached with your application. Please have these documents ready to upload when you apply.

The City offers a competitive compensation package that includes a strong wellness program and the opportunity for career and professional development.

If you want to help shape a growing community in a municipality that strives for service excellence, then this is the position for you.

To apply for this position please submit an online application on our website:

<http://www.mapleridge.ca/2035/Our-Jobs>

Please complete all applicable areas of the online application in detail and attach your resume.

We thank all applicants for their interest, however, only those under consideration will be contacted.
