**GOAL #2 – RIGHTS TO PRACTICE**

3.2.1  **PTech Update (verbal)**
CEO John Leech gave a verbal report on the current status of PTech. John noted that Council set a direction for implementation at the May 2017 Council Meeting and that implementation is ‘on-track’. ASTTBC will make a formal submission to Government early in 2018.

17-76:  *That the PTech Update verbal Report be received for information.*

M/S/C

2.2.2  **ASTTBC Guides to Professional Practice**
Council received for information a Report on ASTTBC Professional Practice Guides – Environmental Technology, Mineral / Mining Technology and Civil Engineering Technology – *Asphalt Mix Design and Quality Assurance for Highway Construction* and the three (3) draft Practice Guides with the request to approve in principle.

Council was in general agreement that the three (3) ASTTBC Guides to Professional Practice represent a solid start in framing practice for ASTTBC Members but require more work. During the Council Workshop members of Council offered a number of suggestions, notably with the Environmental Technology Guide. Council asked staff to take these comments into consideration as the drafts are adjusted before being released for wider consultation. Council revised the Recommendation in the Report.

17-77:  *That the draft ASTTBC Guides to Professional Practice in Environmental Engineering Technology, Mineral/Mining Technology and Civil Engineering Technology – Asphalt Mix Design and Quality Assurance for Highway Design be received for information and that Staff continue development work on the Guides and return to Council for further consideration.*

M/S/C

**GOAL #3 – PROFESSIONAL STANDARDS & REGULATION**

3.3.1  **Public Works Certification Policy**
Council received for information a Report on the Public Works Certification Policy and a copy of the Policy (2017 09 15). PRB liaison Paul Tomei gave a verbal report on feedback received from the Board of Examiners and the Practice Review Board on the PWCB Policy. Council was in general agreement to revise the Recommendation in the Report.

17-78:  *That the Report on Public Works Certification Board Policy and the verbal update from PRB be received for information and that Council signal its intent to proceed with final approval of the Policy at the April 2018 meeting.*

M/S/C
GOAL #8 – GOVERNANCE AND MANAGEMENT

3.8.1 Budget 2018
Council received for information a Report on the Budget 2018 and a copy of the Projected 2018 and Revised 2017 Budgets. CEO John Leech reported that ASTTBC will manage within the framework set out by Council.

17-79: That the 2018 Budget be approved as the foundation for the Chief Executive Officer as he manages ASTTBC affairs.

M/S/C

3.8.2 Board Appointments for Onsite Wastewater Certification Board
Council received for information a Report on Board Appointments for the Onsite Wastewater Certification Board. Registrar Charles Joyner noted that recruitment of Volunteers to serve on various Boards continues throughout the year.

17-80: That the appointment of the following member to the Onsite Wastewater Certification Board be approved:

Robert Burns, ROWP

M/S/C

3.8.3 Digital Signature as an Optional Service
Council received for information a Report on the Digital Signature as an Optional Service for ASTTBC Members. Registrar Charles Joyner gave a brief overview of the NOTARIUS Digital Signing Service under consideration as a Member Service (on a voluntary or optional basis) to ASTTBC Members. The cost to the Association would be $1,000 to start then $185 per year for maintenance. Upon Council approval the service could be available January 2018 to Members in good standing.

17-81: That Council authorize the Registrar to proceed with securing an Agreement to provide digital signing service as an optional service available to ASTTBC Members.

M/S/C

4. INFORMATION AGENDA

GOAL #8 – GOVERNANCE AND MANAGEMENT

4.8.1 October 2017 Financial Statement
Council received for information a Report on the October 2017 Financial Statement including a copy of the Statement of Revenue & Expenses and a Chart with targets dated October 31, 2017. CEO John Leech noted that we are ‘on-track’ with the budget for this time of year.
17-82: That the October 2017 Financial Statement be received for information. M/S/C

4.8.2 EWP Court Costs – Update (verbal)
CEO John Leech gave a verbal update on the court costs associated with the Electrical Work Practitioner (EWP). John Leech reported that although the process was lengthy and difficult, there is no question that ASTTBC was entitled to create and administer the EWP and issue Certificates for persons who meet the prerequisites, and that the BC Safety Authority was entitled to recognize such Certificates. Council has previously determined that ASTTBC will seek court costs and authorized the CEO to pursue this intent. Council agreed that this matter be left with the CEO to conclude.

17-83: That the CEO be authorized to conclude matters on court costs associated with the EWP program. M/S/C

4.8.3 Council Terms of Office 2017 – 2018
Council received for information a Report on the Council Terms of Office 2017 – 2018 and a list of Council Directors with their start year and term end year.

Council received for information a Report on Publishing names of Board Members on the ASTTBC Website. Council also received a detailed Report on the results collected from the Boards and a table with additional information from 18 Regulatory Associations in Canada. Registrar Charles Joyner reported that from June to October 2017 Board Members (approx. 100 volunteers serving on 12 Boards) were given the opportunity to provide feedback on this policy direction. Council was in general agreement to revise the Recommendation in the Report.

17-85: That the Report on Publishing Names of Volunteer Members of ASTTBC Boards be received for information and that the Registrar be requested to develop a Policy on volunteer membership and service on ASTTBC Boards and return to the April 2018 meeting with a Recommendation for Council consideration. M/S/C

4.8.5 ASTTBC Member Database project – Update
Council received for information a Report on the ASTTBC Member Database Project. CEO John Leech noted that ASTTBC staff are moving ahead with the project, a significant undertaking requiring much staff time to help frame and build the new association management software (AMS). John noted that the project is taking longer than initially anticipated and is pressing the limits of funding allocated for the initiative. The CEO will report back at the January meeting.
17-86: That the Council receive for information the update on the Member Database Project and request the CEO to report on the financial status of the project at the January meeting.  
M/S/C
