

Urgent Practice Update

Dear Jason

There is an URGENT registrations matter requiring your immediate attention.

The new ASTTBC Registered Fire Protection Technician Standard of Practice (SoP) was fully implemented on January 1, 2019.

In order to renew your RFPT registration this year, you are required to read and understand the practice requirements described in the new SoP and **complete a mandatory online quiz.**

The deadline to complete and pass this quiz is May 31, 2019.

Registrants who do not complete this requirement will have their RFPT certification removed as of July 1, 2019.

The fee to reinstate your membership will be \$188.32

Please take some time today to take the quiz. If you have any difficulties please contact us by phone or email ASAP and we'll be happy to help. To assist you, we've prepared a few steps for you to get started below.
