

**Assistant Engineering Services Technician
(Temporary Full-Time)**

If you are civic minded and interested in making an impact on people and businesses on the beautiful North Shore, consider working for the District of North Vancouver.

Home to vast parkland and attractions including Grouse Mountain, Lynn Canyon and Capilano Suspension Bridge, the District is inspired by nature, and enriched by people. The District offers exciting professional development opportunities and a competitive total compensation package. This is an exciting time to join the District, as we embark on a range of initiatives to transform digital service delivery, customer experience, and our approach to climate action.

We currently have a temporary full-time opening for an Assistant Engineering Services Technician to assist our Single Family Department staff.

You will be involved in technical engineering and administration work related to project management and coordination of the delivery of municipal engineering infrastructure projects. Duties will include scope, schedule and budget monitoring and tracking, payment verification, contract administration, internal and external stakeholder engagement, liaison with senior levels of government, attending site meetings, interaction with the public, and associated project correspondence. You will also assist in the design and drafting of smaller internal projects which may include sidewalk, water and sewer servicing, bike lane, intersection and road improvement projects. Knowledge of AutoCAD is required.

Preferred candidates will have recently completed or nearing completion of a civil engineering, construction or project management technician, technologist or degree program. An equivalent combination of training and experience will be considered. Familiarity with Municipal water, sewer, drainage and transportation design principles, standards and practices, including the Master Municipal Contract Document is preferred. Candidates with practical or field construction experience in municipal water and sewer systems will be advantageous. A valid BC Driver's Licence is required.

The pay range for this unionized position is \$29.70 per hour based on a 35 hour work week.

We are looking for a passionate and results-oriented individual who has excellent interpersonal and communication skills. If you have what we're looking for and enjoy working in a fast paced environment with a group of enthusiastic and dedicated employees, we would like to hear from you. Please apply on-line with your cover letter and resume at <https://careers.dnv.org> by August 2nd, 2021 to be considered for this competition.

We thank you for your interest in employment with the District of North Vancouver and advise that only those shortlisted for an interview will be contacted.
