

Survey Technologist (Full-Time)

Overview

The City of Chilliwack is home to more than 90,000 residents and offers a wide range of services to best serve the population. If you want to work for a supportive employer in a city with exceptional outdoor amenities minutes away, a bounty of farm-to-table options and a rich history, Chilliwack is the place for you.

As a rapidly growing municipality committed to quality service and a positive work environment, we are seeking a talented professional who wants to make a difference in the community.

As Survey Technologist, you will work as a strategic member of the Operations Department technical team. You will carry out technical field and office work including survey data collection, preparation of survey drawings and survey layout for a wide range of construction and other municipal projects.

Are you the one we're looking for?

If you have the following minimum qualifications, skills and experience we encourage you to apply:

- A graduate of a two year Civil Engineering Technology or Surveying Technology program from a recognized Technical Institution and you are eligible to register as a Technologist with Applied Science Technologists and Technicians of BC (ASTTBC);
- A minimum of 5 years of civil survey experience including construction layout and legal surveys;
- Sound knowledge of engineering principles and practices, civil construction and technical records relating to municipal engineering and construction;
- Proficient in the use of a range of survey instruments including manual and GPS equipment;
- Proficient in the use of Computer Assisted Design and Drafting (CADD) software;
- Able to create 3D survey drawings using field collected survey data;
- Able to establish and maintain an effective working relationship with department officials, construction crews, contractors, property owners and other members of staff;
- Able to communicate effectively, both orally and in written format, with sound knowledge and ability to prepare and present technical and non-technical reports;

This position requires a valid class 5 B.C. Driver's License.

The City of Chilliwack is proud to be a competitive employer offering opportunities for professional development, comprehensive benefits package, and a focus on corporate wellness.
