## Building Technician

### Build a Strong City!

With over a hundred buildings, facilities and properties to manage, we are seeking an experienced Building Technician to join our Building Services team. This role is heavily involved with all life stages of our municipally owned building and facility assets. As the successful candidate you will be responsible for producing construction drawings and specifications for various renewal projects; project management, including providing construction support, cost estimates, construction schedules, maintenance plans and asset management activities; as well as conduct condition assessments, review code compliance, and work in a collaborative team environment.

### Qualifications

- Building or Architectural Technology Diploma or related discipline
- BC Class 5 Drivers Licence
- Experience
- Attention to Detail
- Computer Expertise
- Innovative
- Project Management
- The ability to obtain and maintain an enhanced RCMP security clearance is required for this position.

Grow your career in an organization that supports employee work-life balance and career and professional development. This is a CUPE bargaining unit position with a rate progressing from \$39.13 to \$41.72 per hour, plus employer-paid comprehensive benefits, an earned day off program, paid vacation and one of Canada's top pension plans.

Help create Kelowna as a *City of the Future*. Our diverse and dynamic team strives to innovate to make things better, work as one team, serve proudly and lead responsibly.

Live, work and play in one of Canada's fastest growing cities. Kelowna boasts miles of lake access, public areas and outdoor recreation opportunities, a vibrant downtown and cultural scene, healthy and connected neighbourhoods, and a world-renowned College and University. You're only a quick link to the world via the Kelowna International Airport.
