**DRAFTING/COMPUTER AIDED DRAFTING (CADD) INSTRUCTOR – Competition ID: 957**

Kwantlen Polytechnic University's Faculty of Science & Horticulture is currently seeking a full-time regular Structural Drafting/CADD Instructor to begin January, 2022. Instructional assignments may include days and/or evenings and may include options for online or partially online delivery.

Minimum qualifications include completion of a Drafting/CADD related post-secondary certificate/diploma or equivalent, supplemented by 6+ years of related design/drafting experience in the Civil/Structural field. Applicants should be proficient in current AutoCAD® software. Applicants must be able to effectively communicate course materials to students, respond to their inquiries and provide authentic assessment. Previous instructional/training experience and knowledge of Revit Structural®, Civil 3D® software, and Microsoft Office® software would be an asset.

**A complete application must include your resume, including photocopies of documentation of required certification. Please forward your application package with cover letter by August 30, 2021.**

**Note to Applicants**

The University welcomes and encourages applications from women, visible minorities, Indigenous persons, persons with disabilities, persons of any sexual orientation, and persons of any gender identity or gender expression. If you require an accommodation through our hiring process, please include your request in the application email.

We thank all applicants for their interest in employment with KPU. Only those selected for an interview will be contacted.

Kwantlen Polytechnic University is committed to protecting the safety and welfare of employees, students, and the general public, and upholding the reputation and integrity of the University. For this reason, final applicants will be asked to undergo a background check.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.
