

Engineering Development Technician II (Permanent, Full Time) # 758

Closing Date: July 11, 2022

At the City of Kamloops, we believe in progressive and barrier-free recruitment for everybody every day. This means employment opportunities for all in a safe, inclusive and diverse workplace. We know our city is stronger when we hire qualified individuals from different backgrounds with diverse experiences, cultures and perspectives.

We are focused on creating the highest levels of service excellence, based on an organization-wide community culture that celebrates our employees who make it all happen. We are known as Canada's Tournament Capital and are famous for our hospitality and community spirit, traits that make us a leader! Recreation, sports, arts and culture, health care, social activities, volunteerism, and affordable housing all meld to form a unique blend of big-city amenities with small-town ambience. This is Kamloops!

Let's make Kamloops shine! Join our team today.

Position Overview

The City of Kamloops has an opportunity for a technically skilled Engineering Development Technician II whose work involves reviewing complex engineering plans, design drawings and projects, and inspecting construction developments for municipal infrastructure to ensure conformance to municipal standards. This position requires a well-organized, motivated individual with high interpersonal skills to interact with internal and external contacts on a frequent basis. If you are someone, who shares our corporate values of resiliency, purposeful, trust, inclusive, health conscious, and cooperation, and who wants to contribute to the development of their community in a meaningful way, then the Engineering Development Technician II position may be a fit for you!

The successful candidate must have the following qualifications:

- Completion of senior secondary school or its equivalent.
- Completion of a two-year diploma in Civil Engineering or Engineering Technology.
- Minimum three years' experience in design and field inspection of municipal facilities, including waterworks, sewage, roads, and structures.
- Ability to acquire certification as an Applied Science Technologist (in Civil) or a Certified Technician (in Civil) with the Applied Science Technologists and Technicians of BC (ASTTBC) within 12 months.
- Valid Class 5 BC Driver's Licence (or equivalent).

For new hires, and for those working in designated positions of trust, including those working directly with vulnerable persons, no formal offer of employment will be made until an applicant completes a police information check.

A comprehensive benefits package is included with this position.

Effective November 1, 2021, the City of Kamloops implemented a Covid-19 Vaccination Policy that defines the conditions and expectations for employees regarding vaccination against COVID-19. The policy requires all employees hired after October 31, 2021, to be fully vaccinated, unless they can establish that they cannot be fully vaccinated for a valid reason related to a protected ground under the BC Human Rights Code. It is a term of acceptance of employment that you agree to comply with all vaccination requirements that apply to the City of Kamloops.

Hourly Rate

\$43.97
