Reporting to the Director of Works and Infrastructure, the District has an exciting career opportunity for a Manager of Works. The Manager of Works will assist the Director of Works and Infrastructure in the overall administration and operational requirements of the Public Works Division. This leadership role is responsible for assisting in planning, budgeting, developing, preparing, coordinating, managing, and implementing the Works and Infrastructure division's overall short and long-term administration, operational, budgetary, and asset management requirements.

The Manager will lead a skilled and committed employee group of approximately 20 employees who are responsible for the day-to-day operations of roads, storm systems, landfill, fleet, and facilities. The preferred candidate will have:

- A diploma in civil engineering technology.
- Minimum of 5-years related experience in Civil Engineering design, inspection, construction, managing risk, and project management, preferably within local government
- Minimum of 5-years supervisory experience.
- Member of, or eligibility for full membership in, the Applied Science Technologist and Technicians Association of BC.
- Demonstrated experience with Microsoft Office (Word, Excel, PowerPoint).
- Valid B.C. Driver's Licence.
- Valid First Aid Certificate or an ability and willingness to obtain one.

We want to hear from you if you meet these qualifications and have demonstrated supervisory and administrative skills with superior organization and communication skills.

This position provides a competitive salary, a comprehensive benefits package and pension. To be considered for this exciting opportunity, in confidence, please submit your cover letter and resume (in PDF format) to hr@summerland.ca quoting Competition #22-37 by July 24, 2022.
