

JOB POSTING

Engineering Technologist

Regular Full-time

Engineering, Parks and Environment Department

Competition #22-36

Langley City, a community of 27,000 people positioned in a rapidly growing area, is widely known as an award-winning city. Strategically located in Metro Vancouver, it has a vibrant community spirit and an inspiring vision of being “The Place To Be” now and in the future. Langley City has all the amenities of any urban centre in very close proximity: great shopping, 300 acres of parks, world-class educational institutions, and entertainment facilities. Skytrain has been approved to be extended to the City within the very near future.

Applications are invited for a Regular Full-Time Engineering Technologist to join our Engineering Services team. Reporting to the Manager of Engineering Services, the successful applicant will provide technical support primarily in development engineering and secondly in traffic engineering and other related works as required.

Some of the key responsibilities of this position include:

- Reviewing subdivision/development engineering design submissions;
- Drafting preliminary development engineering requirements;
- Compiling and completing engineering servicing agreements for subdivision, development permit, rezoning, OCP amendment and other related project tasks to ensure compliance with applicable by laws and requirements of the City pertinent to land development activities;
- Completing inspections on work performed ensuring compliance on development related construction projects;
- Responding to public concerns related development projects;
- Performing engineering tasks related to traffic and transportation;
- Assisting in planning, conducting and preparing terms of references for traffic studies encompassing accident analysis, safety, parking;
- Preparing and conducting the traffic count program;
- Assisting in the preparation of technical reports, policies and procedures; and
- Undertaking related duties as required.

RATE OF PAY: Pay Grade 29: \$43.54 to \$46.30 (2021 C.U.P.E. rates)

HOURS OF WORK: 35 hours per week (Monday to Friday)

Our comprehensive benefits package is included.

The incumbent will have considerable knowledge of engineering principles and practices including transportation and traffic. A Diploma in Civil Engineering Technology or a field relevant to the position from a recognized institution and 5 years' experience in municipal engineering, or an equivalent combination of training and experience is desirable. Experience in traffic and transportation programs, and management of traffic engineering software applications such as Synchro would be an advantage. Registration or eligibility to be registered with the Applied Science Technologists and Technicians Association of B.C. and a valid Class 5 B.C. Driver's License are required. Details of the position and its requirements can be found in the job description at the following link: www.langleycity.ca/cityhall/employment

We are accepting applications **until the position is filled**. Please submit a resume and covering letter **or** the application form located on our Employment page, copies of any required certifications and a copy of your current driving record to:

Human Resources Division
Langley City
20399 Douglas Crescent
Langley, B. C. V3A 4B3
e-mail: hr@langleycity.ca
Fax: (604) 514-0225

Please note we require a current **Personal Driving Record (select the 5 year option if obtaining online)** that has been obtained within 6 months of the closing date. To obtain a copy of your **Personal Driving Record**, please contact ICBC directly or the driving authority where you reside.

External applicants are advised that it is a condition of employment with the City of Langley that a successful candidate provide proof that they are fully vaccinated against COVID-19 (note: proof is not required as part of the application process, however, will be required upon consideration for employment). Successful candidates may only be exempted from this requirement if they request and are approved for an accommodation based on a reason related to a protected ground under the Human Rights Code.

Langley City appreciates the interest of all applicants. Only those selected for interview will be contacted.
