We currently have a regular full-time opportunity for a Design Technician to work as part of our Engineering Planning and Design team. You will be involved in the design of municipal engineering services. Duties include design, layout, cost estimating, construction technical support for transportation, utility, watercourse and park related projects including roads, laneways, sidewalks, traffic calming, watermains, sanitary sewers, storm sewers, culverts, in-stream creek works and retaining walls. The position also reviews third party utility designs (e.g. BC Hydro, Telus, Shaw) and other third party requests to install works within municipal roads that require permit approval.

Applicants must possess a certificate in Civil Engineering from a recognized technical institute and certification as a technician with the A.S.T.T. of BC, supplemented by experience in actual municipal design work. An equivalent combination of training and experience will be considered. Familiarity with computer aided drafting design (CAD) is required along with a valid BC Driver's Licence.

The wage range for this unionized position is \$36.39 to \$42.96 per hour (2021 rates) based on a 35-hour work week. If you have what we're looking for and have a passion to serve people and the community, and a demonstrated commitment to supporting a healthy and safe workplace, we would like to hear from you. Please apply on-line with your resume and cover letter at <https://careers.dnv.org> by **September 5, 2022** to be considered for this competition.

We respectfully acknowledge the Coast Salish peoples, specifically the x̱m̱əθḵw̱əy̱əm (Musqueam), S̱ḵw̱x̱w̱ú7mesh Úxwumixw (Squamish), and səlilwətał (Tsleil-Waututh), on whose ancestral lands the District of North Vancouver is located.

We thank you for your interest in employment with the District of North Vancouver and advise that only those shortlisted for an interview will be contacted.
