

Junior CAD Technologist/Technician, Transportation Practice Surrey, BC

About the Opportunity

Our fast-paced Surrey office is looking to hire a highly capable CAD Technologist/Technician to join our Transportation Team. This team is an integral part of our practice and focuses on developing transportation solutions that improve the movement of people and goods between and within communities across BC.

Do you have a passion for creating engineering designs and drawings? Are you looking to make a move to an organization that supports growth and development, flexibility, and mentorship opportunities? Let's connect!

As a Junior CAD Technologist, you are responsible for working alongside a team of engineering, planning, and drafting specialists to translate high-level conceptual designs from preliminary to detailed design. Some of your daily responsibilities will be:

- Use AutoCAD and Civil3D software to create technical drawings
- Use client-specific CAD standards to communicate accurate design intent
- Create base file packages and organize information from multiple sources
- Be part of a dynamic team with coaching opportunities
- Support team with drawing quality control to verify accuracy of production work
- Perform a variety of analytical assignments with independent judgment
- Preparation of quantity take-offs and construction cost estimates

Due to COVID-19, the opportunity to work remotely and from home does exist, although, from time to time, we may need assistance with client work or face-to-face meetings. Therefore, the individual would need to reside in the Lower Mainland.

About You

Our preferred candidate is a graduate of a Civil/CADD Technician or Civil Engineering Technology program with 0-3 years of working experience and is eligible to be registered with ASTTBC. In addition, the following attributes would be considered beneficial for this role:

- An interest in working on transportation projects from large to small
- Familiarity with AutoCAD standards and Civil 3D styles
- Confident in working in a self-directed work environment, with the ability to balance multiple projects and deadlines
- Strong drafting skills and knowledge of drawing set-up and production
- A keen eye for detail and takes great pride in their work
- Committed to ongoing personal and professional development
- Certification or eligible for certification with ASTTBC

About Us

Recognized as one of Canada's top employers, Urban Systems is an employee-owned interdisciplinary consulting firm based in Western Canada. In business since 1975, we have over four decades of experience working with a variety of clients, including all levels of government, Indigenous communities, commercial and residential land developers, and the natural resource sector. Our team of over 450 people across multiple branch offices is committed to helping build vibrant communities of all sizes.

Our Commitment to You

Do you seek opportunities to lead challenging initiatives in your community? Join a diverse and supportive group of professionals at Urban Systems and take part in impactful work building vibrant communities across Canada. Here's what you can expect as a team member at Urban Systems:

- **Competitive Compensation.** Your skills and contributions are valued. You'll receive competitive compensation, extended health, dental, vision care coverage and more.
- **Paid Time Off.** We encourage all team members to take time off to recharge and spend time with loved ones. Enjoy three weeks of paid vacation to start, in addition to statutory days off throughout the year.
- **Learn and Grow.** Grow your career with Urban Systems! You are encouraged to take the initiative and shape your career through coaching, in-house learning, technical courses, and more.
- **Flexible Hours & Work Environment.** You have a life outside of work! We offer flexibility in your work schedule and work environment to help you do your best work and meet your commitments.
- **Saving for the Future.** To help you achieve your long-term retirement goals, we offer a Long-Term Matching Program that matches your contributions to an RRSP or TFSA.
- **Work with Inter-Disciplinary Teams.** Amazing things happen when you mix creativity, curiosity, teamwork, and a strong desire to collaborate and innovate. You will be part of diverse, Interdisciplinary teams to deliver meaningful work for our clients and their communities.
- **You're in Good Company.** Build relationships with a dynamic, accountable, and engaged team fueled by our shared purpose. Every branch facilitates connection with a series of events. Did someone say donut days, lunch & learns team competitions and more?!
- **Beautiful Office.** Do your best work in office spaces designed with your needs in mind. Each of our 15 offices has its own unique personality and design.
- **Create Lasting Community Impact.** *98% of Urban Systems employees believe that the work we do is important. Join a team of like-minded leaders and work together to bring to life impactful community projects.*

How to Apply
