

Certification Examinations

At the discretion of the Credentials Committee, the Committee may assign the successful completion of one or more examination(s) as listed in Schedule B of the *bylaws*, in order for the applicant to demonstrate that they have met the requirements for their class, sub-class or discipline their knowledge of their self-declared discipline and to supplement their academic qualifications. These specific exams are only assigned after the Credentials Committee has done a fulsome assessment of your application for registration.

ASTTBC has partnered with Yardstick to administer the following examinations:

- Fundamentals of Technology Certification Exam
- Civil Engineering Technologist Certification Exam
- Mechanical Engineering Technologist Certification Exam
- Electrical Engineering Technologist Certification Exam
- Petroleum Engineering Technologist Certification Exam
- Drafting Technologist Certification Exam
- Instrumentation Engineering Technologist Certification Exam
- Construction Engineering Technologist Certification Exam
- Electronics Engineering Technologist Certification Exam

How much does a Yardstick exam cost?

\$301.00 (GST included) per attempt

(NOTE: Yardstick and ProctorU have merged to form Meazure Learning). An applicant who is required to write one of the above examinations is notified by ASTTBC staff and the examination(s) fee is requested. Once examination fee is received, ASTTBC staff will contact Yardstick and provide them with the applicant's contact information. Yardstick will then reach out directly to the applicant to arrange the details for writing the examination(s). Yardstick schedules exams throughout the year. If an examination is rescheduled, Yardstick will notify both the applicant and ASTTBC.

The Association of Science and Engineering Technology Professionals of Alberta (ASET) have published Certification Handbooks for the examinations administered by Yardstick. ASTTBC, ASET, and CCTAM (Certified Technicians and Technologists Association of Manitoba) have collaborated to offer the examinations to applicants where applicable. These handbooks provide information on exam content, study material and practice exams, exam time and location, calculator policy, rescheduling/rewriting policy, examination results, and special accommodation requests. The handbooks are available for download on the ASET website. To access the handbooks, please click [here](#).

How many times can I write this exam?

An applicant has three attempts to successfully complete the exam. Payment of the exam fee is required for each exam attempt.

After a failed exam attempt, how long do I have to wait to rewrite an exam?

There is a three-month waiting period to rewrite an examination.
