

# BUILD YOUR CAREER

WITH THE CITY OF PRINCE GEORGE

## ENGINEERING TECHNICIANS/TECHNOLOGIST REGULAR FULL-TIME CIVIC OPERATIONS DEPARTMENT

*A Rewarding Technical Role to Grow your Career!*

### ***About Our Community:***

Boasting a high quality of life and standard of living, Prince George has all the amenities of a large city mixed with the friendliness and appeal of a smaller community. It is a regional centre for close to 326,000 people for shopping, education, health care, the arts, and sports. Prince George's central location in the province offers work/life balance with unparalleled access to four-season outdoor recreation activities that are complemented by a full range of urban amenities and a comprehensive transportation infrastructure that connects residents, businesses, resources, and agricultural products to markets around the world. And it is only a short drive to almost anywhere in Prince George – spend less time commuting and more time doing what matters most to you! Discover all these opportunities and more!

### ***About Our Organization:***

The City of Prince George is committed to ensuring a positive, well-balanced work environment for its employees. With opportunities for employee training, wellness programs and professional development the City of Prince George offers a safe and supportive workplace in which to serve our community.

### ***About The Opportunity:***

As an Engineering Technician, you will be responsible for preparing detailed design and as-built plans and for providing technical fieldwork in support of Civic Operations. You will gain valuable experience in project management by taking on small scale projects, as assigned. You will have the opportunity to apply your technical expertise to ensure all work complies with current municipal, provincial, federal and environmental standards.

As an Engineering Technologist, you will be responsible for the delivery of capital projects and technical support for operational aspects related to Utilities. You are knowledgeable about survey requirements for design and construction activities, utility infrastructure design, elementary engineering and have at least five years of related experience.

### ***About Your Background:***

If you have a two-year civil engineering diploma, at least two years of related experience, and are eligible for certification with the Association of Technologists and Technicians of BC, we would like to hear from you! A valid, full privilege Class 5 BC driver's license (or out of province equivalent) is required.

### ***Why You Will Love Working for our Civic Operations team at the City of Prince George:***

- You enjoy problem solving in a proactive team environment and are committed to service excellence.
- Enjoy a competitive starting wage starting at \$36.04 to \$41.86 per hour plus an excellent benefits and pension package.

**Please refer to the job descriptions for more details about these exciting opportunities!**

If you are interested in joining our team, please apply by February 2, 2023 to:
