

ASSET MANAGEMENT TECHNOLOGIST (Engineering Technologist III)

The City of Campbell River is seeking an **Asset Management Technologist** to join our Capital Projects team.

Naturally, Campbell River – Located on Vancouver Island, surrounded by the ocean and majestic mountains, the City of Campbell River offers a rare combination of a welcoming small-town feel with large-city amenities. From summer markets and street events to an active arts and culture community to year-round, world-class recreational opportunities, the Campbell River lifestyle is unparalleled. We are a 45-minute drive from the winter and summer activities of Mount Washington, and just minutes from more than 100 km of all levels of mountain biking and hiking trails, plus easy access to the ocean, rivers and lakes for sports fishing, kayaking, paddle boarding and whale watching.

The role... Reporting to the Capital Projects Manager you will be primarily responsible for providing advanced technical expertise and support in the development, implementation, and maintenance of an Asset Management Program for all City infrastructure. As a secondary function, you will also be responsible for providing technical support to the Capital Projects team and other departments within the Operations Division, as needed.

Our ideal candidate will have the following qualifications:

- Training and/or certification in asset management planning.
- Experience in municipal asset management planning, condition assessment and replacement of municipal infrastructure.
- Five years progressive and related technical experience in the municipal engineering field within the past 10 years.
- Experience in the civil construction field including surveying and site inspections.
- Diploma in Civil Engineering or relevant field.
- Be registered or eligible for registration as an ASCT with the Applied Science Technologists and Technicians of BC, or other related professional association.
- Possess and maintain a valid Class 5 driver's licence and produce and maintain a clean driver's abstract.
- Training and/or experience in project management.

The rate of pay for this permanent, full-time, CUPE bargaining unit position is **\$43.66 per hour** based on a 40-hour work week. We offer a comprehensive benefits package, including flexible work options (i.e. Compressed Work Week, Earned Days or Hybrid Remote Work).

For more information on this opportunity and to view a detailed job description that lists all the duties and necessary qualifications for this position, please visit www.campbellriver.ca/employment.

This posting will remain open until filled.

Please send your resume with covering letter, quoting **Competition EXT-22-106-2** to:

Human Resources Department
City of Campbell River
301 St. Ann's Road
