DEVELOPMENT SERVICES

**SENIOR DEVELOPMENT
ENGINEERING TECHNOLOGIST**
Permanent Full Time

The District of Saanich is the largest municipality in beautiful Greater Victoria, blending both the urban and rural environment and home to approximately 124,000 citizens. Employing more than 1,500 members, our greatest asset is a high performing workforce. Recently named one of BC's Top Employers for 2023, we provide a collaborative, exciting and progressive work environment that consistently attracts top-quality people, enables them to perform at their best and grow their skills. Our competitive wages, excellent benefits package, generous pension plan, flexible work program supporting an inclusive work environment and progressive initiatives make the District of Saanich a highly desirable place to invest your talent.

The District of Saanich is seeking an experienced engineering technologist to join our Engineering Department. The Senior Development Engineering Technologist will perform technical work at a semi-professional level as part of a technical team that delivers new municipal infrastructure through development construction and acts as the caretaker for existing infrastructure.

In accordance with the engineering bylaws and municipal policies, the Senior Development Engineering Technologist will set the servicing requirements and develop conceptual drawings to aide in the creation of same, for new developments in the District of Saanich. They will meet with owners, developers, and consultants, while working with other municipal departments such as Parks and Planning, to guide developments from the pre-application phase to construction. Working closely with the Engineering Department's Transportation, Water Resources, and Public Works Divisions, they will ensure that the proper infrastructure is in place to support development. They will also participate in the development process review, providing feedback in order to streamline the development review process, with the goal of accelerating housing construction in Saanich.

The successful candidate will be familiar with relevant bylaws and policies, municipal engineering specifications and the MMCD, as well as the relevant sections of the Local Government Act. They are technically proficient in municipal engineering, will possess strong project management skills, and is a great customer service focused communicator.

Requirements include a two year diploma in Civil Engineering from a recognized institution, a minimum of 6 years of directly related experience, registration as an ASCT with the Applied Science Technologists and Technicians BC (ASTTBC), a valid Class 5 BC Driver's License, a personal vehicle available for use as and when required, and conversancy with computer based engineering applications including AutoCAD and Bluebeam Revu. Candidates with an equivalent combination of education and experience, such as a university degree in a relevant field of engineering with a minimum of 4 years of work experience, may be considered.

The successful candidate will work Monday to Friday, flexible hours between 7:30 a.m. – 5:00 p.m. (7 hours per day, 35 hours per week). This position is eligible for a modified work week offering flex days after the completion of a 12 month probationary period.

This is a C.U.P.E. Local 2011 position with a wage of \$50.49 per hour plus and an excellent benefits package. Job description and competition information can be found at www.saanich.ca. **Please apply by 11:45 P.M. on Wednesday, June 7, 2023 quoting competition 23176 to:** Human Resources, District of Saanich, 770 Vernon Avenue, Victoria, BC, V8X 2W7. As a component of the selection process, testing will be conducted. Only those under consideration will be contacted.

The District of Saanich is recognized as one of BC's Top Employers for 2023. As an equitable and inclusive employer, we value diversity of people to best represent the community we serve and provide excellent services to our citizens. We strive to attract and retain passionate and talented individuals of all backgrounds, demographics, and life experiences. If you require any adjustments to enable participation at any stage of the recruitment process, please contact in confidence accessibilityHR@saanich.ca. We thank all applicants for applying.
