

Work Log – Application for Registration for CHI/CPI

Name of applicant: _____

Date of inspection	Type of dwelling	Start time	End time	Total hours 'on inspection' *	Total hours to date	Applicant's signature	Approved Supervisor	
							Name/HI Licence Number	Signature

I confirm that the above home inspections were conducted with an approved supervisor.
 I confirm that the hours reported only include 'on inspection' time and are not rounded up.
 I agree to provide ASTTBC with proof of the above upon request.
 I confirm that the information provided by me in this work log is complete, accurate and true.

Applicant's signature:

Date:

* The term 'on inspection' includes only time physically spent on site inspecting a residential dwelling or property and reasonable time accompanying an approved supervisor while report writing. This does not include driving time, planning and post inspection time.
