

BUILD YOUR CAREER

WITH THE CITY OF PRINCE GEORGE

ENGINEERING ASSISTANT REGULAR FULL-TIME ASSET MANAGEMENT/ PLANNING & DEVELOPMENT

Support the City in this Challenging Technical Role!

About Our Community:

Boasting a high quality of life and standard of living, Prince George has all the amenities of a large city mixed with the friendliness and appeal of a smaller community. It is a regional centre for close to 326,000 people for shopping, education, health care, the arts, and sports. Prince George's central location in the province offers work/life balance with unparalleled access to four-season outdoor recreation activities that are complemented by a full range of urban amenities and a comprehensive transportation infrastructure that connects residents, businesses, resources, and agricultural products to markets around the world. And it is only a 15-minute drive to almost anywhere in Prince George – spend less time commuting and more time doing what matters most to you! Discover all these opportunities and more!

About Our Organization:

The City of Prince George is committed to ensuring a positive, well-balanced work environment for its employees. With opportunities for employee training and professional development the City of Prince George offers a safe and supportive workplace in which to serve our community.

About The Opportunity:

In this technical role, you will assist the Asset Management Division by undertaking the challenges associated with the development and implementation of the City's asset management strategies, processes, and tools. You will provide technical training and advice, participate in research activities, complete life cycle costing of alternative asset renewal or replacement strategies and participate in the development and implementation of asset data collection processes.

About Your Background:

You are a highly motivated professional with a diploma in Civil Engineering Technology and certification as an ASCT or Certified Technician of BC. Ideally, you have at least five years of experience with design and/or operations and project management, preferably in the municipal or municipal consulting field along with considerable knowledge of asset management procedures and practices. You thrive in a fast-paced work environment and enjoy working as part of an interdisciplinary team.

Why You Will Love Working for our Asset Management team at the City of Prince George:

- Support asset management with your strong technical skills!
- Work with a professional team dedicated to providing exceptional service.
- Enjoy a competitive starting wage of \$41.86 - \$43.00 per hour plus a comprehensive benefits and pension package.

Please refer to the job description for more details about this exciting career!

If you are interested in joining our team, please apply including a current driver's abstract by November 2, 2023 to:
