

ASTTBC High School Bursary

The Applied Science Technologists and Technicians of British Columbia (ASTTBC) Foundation offers an annual bursary to a BC high school graduate entering an applied science or engineering technology diploma program at an ASTTBC recognized program at one of the following post-secondary institutes:

- Brighton College
- British Columbia Institute of Technology
- Camosun College
- College of New Caledonia
- Kwantlen Polytech University
- North Island College
- Okanagan College
- Selkirk College
- Thompson Rivers University

The bursary is valued at \$1,000 and awarded based on a combination of factors including academic standing, financial need, and a student's statement. If you have any questions about the bursary, please email foundation@asttbc.org.

Application Instructions

Submit an Application

Complete and email the application form below to the ASTTBC Foundation at foundation@asttbc.org. You can expect to receive an email response within 3 business days acknowledging our receipt of your application.

Deadline Date: August 15, 2024 at 6:00pm PST.

Review Process

Applications are reviewed by the volunteer board of the ASTTBC Foundation. The successful applicant will be notified in September 2024 however the bursary cheque is only issued after proof of enrolment in an eligible technology program is received.

The information that you provide in your application is required for assessment purposes only and is kept confidential by the ASTTBC Foundation and those involved in the assessment process. The bursary is awarded based on a combination of factors, including academic standing, financial need, and student's statement.

Eligibility

To be eligible for this \$1,000 bursary, the applicant must be:

1. Graduate from a BC secondary school in 2024.
2. Entering an ASTTBC recognized applied science or engineering technology diploma program at one of BC's post-secondary institutes in fall 2024. [Eligible Programs](#)
