

Programs Treated Under Pathway A – Accredited Stream

Current TAC accredited programs – [https://www.technologyaccreditation.ca/National-Accreditation/Nationally Accredited Programs](https://www.technologyaccreditation.ca/National-Accreditation/Nationally_Accredited_Programs)

CTAB accredited programs - [https://www.technologyaccreditation.ca/National-Accreditation/CTAB Accreditation](https://www.technologyaccreditation.ca/National-Accreditation/CTAB_Accreditation). If your program was CTAB accredited at the time of graduation, you will be treated as Pathway A.

The following BC academic programs:

Okanagan College (formerly Okanagan University College)			
<i>Program Name (Options)</i>	<i>Discipline</i>	<i>Program Level</i>	<i>Date</i>
Network and Telecommunications Engineering Technology	Information Technology	Technologist	2005 - 2023

Camosun College			
<i>Program Name (Options)</i>	<i>Discipline</i>	<i>Program Level</i>	<i>Date</i>
Environmental Technology	Bioscience	Technologist	2003 - 2023

Nicola Valley Institute of Technology			
<i>Program Name (Options)</i>	<i>Discipline</i>	<i>Program Level</i>	<i>Date</i>
Environmental Resource Technology	Forestry	Technologist	2018 - 2023

Kwantlen Polytechnic University			
<i>Program Name (Options)</i>	<i>Discipline</i>	<i>Program Level</i>	<i>Date</i>
Environmental Protection Technology	Bioscience	Technologist	2006 - 2022

British Columbia Institute of Technology			
<i>Program Name (Options)</i>	<i>Discipline</i>	<i>Program Level</i>	<i>Date</i>
Biomedical Engineering Technology	Biomedical	Technologist	2004 - 2023
Chemical and Environmental Technology (Analytical Science) (formerly Chemical Sciences Technology (Environmental Chemistry))	Chemical	Technologist	2004 - 2023
Geomatics Engineering Technology (Field Survey)	Survey/ Geomatics	Technologist	2004 – 2023
Geomatics Engineering Technology (Digital Mapping)	Survey/Geomatics	Technologist	2004 - 2023
Mechanical Engineering (Mechanical Systems)	Mechanical	Technologist	2004 - 2023
Chemical Sciences Technology (Pulp and Paper)	Chemical	Technologist	2004 - 2023
Civil Engineering Technology	Civil	Technologist	2004 - 2023
Mechanical Engineering (Manufacturing)	Mechanical	Technologist	2004 - 2023
Mechanical Engineering (Mechanical Design)	Mechanical	Technologist	2004 - 2023
Electrical and Computer Engineering Technology (Automation and Instrumentation Option)	Electronics	Technologist	2004 - 2023
Electrical and Computer Engineering Technology (Computer Control Option)	Electronics	Technologist	2004 - 2023
Electrical and Computer Engineering Technology (Electrical Power and Industrial Control Option)	Electrical	Technologist	2004 - 2023
Mechatronics and Robotics Technology (formerly Robotics and Automation Technology)	Electronics	Technologist	2004 - 2023

<i>Electrical and Computer Engineering Technology (Telecommunications and Networks Option) (formerly Wireless Communications and Computer Networks Option)</i>	<i>Information Technology</i>	<i>Technologist</i>	<i>2004 - 2023</i>
<i>Renewable Resources (Fish, Wildlife and Recreation)</i>	<i>Renewable Resources</i>	<i>Technologist</i>	<i>2004 - 2023</i>
<i>Chemical and Environmental Technology (Process Engineering) (formerly Chemical Sciences Technology (Industrial Chemistry))</i>	<i>Chemical</i>	<i>Technologist</i>	<i>2004 - 2023</i>
<i>Mining and Mineral Exploration Technology (formerly Mining Technology)</i>	<i>Mineral Resources</i>	<i>Technologist</i>	<i>2004 - 2023</i>

North Island College			
<i>Program Name (Options)</i>	<i>Discipline</i>	<i>Program Level</i>	<i>Date</i>
Industrial Automation Technician (formerly Industrial Electronics Technician)	Electronics	Technician	2002 - 2023

College of New Caledonia			
<i>Program Name (Options)</i>	<i>Discipline</i>	<i>Program Level</i>	<i>Date</i>
<i>Civil Engineering Technology</i>	<i>Civil</i>	<i>Technologist</i>	<i>2022 - 2023</i>

Programs accredited by International Jurisdictions as per agreements signed by Canada include:

Accord	Level	Signatories
