

REQUIRED DOCUMENTATION
CHECKLIST

ASTTBC TECHNOLOGY
PROFESSIONALS

You will need to provide the following documentation to apply for your AScT or CTech:

All applicants are required to submit a completed [online application](#).

As part of the application process, you must submit the required documentation as outlined below. It is recommended that applicants start the process of gathering the required documents before starting the application process. This will assist in making sure your application can be processed as efficiently as possible

Please note general and discipline-specific competency (learning outcome) details are completed in the online application form as outlined below:

- **Pathway 1** – general and discipline-specific competency details not required
- **Pathway 2** – minimum of 5 Discipline-specific competencies required
- **Pathway 3** – all general and minimum of 5 discipline-specific competencies required
